Arbiter Coffee

アービターコーヒーショップ | est. 2023

An **Arbiter**, is also defined as mediator or judge, is a person whose judgement or opinion decides what is right or proper (**Meriam-Webster**). It is a person who has strong influence in social trends and behavior (**Oxford Languages**).

Combining the words **Arbiter** and **Coffee**, interprets these words as mediating (**or judging?**) quality coffee from lower to a higher grade.

Arbiter coffee in a way is synonymous to coffee connoisseur, coffee expert or sommelier.

Arbiter Coffee Shop envisions to become a destination where all beginners and coffee enthusiasts meet together to appreciate and share the same passion of the Arbiters for coffee.

Our patron and customers become **"Arbiter of Coffee"** through evaluating and comparing differet natural taste notes of coffee, they are the **"Arbiters"**.

WORLDWIDE SPECIALTY COFFEE

ワールドスペシャルティコーヒー

" **Specialty coffee** is the highest grade of coffee, scored 80 or above on a 100-point scale, and is known for its exceptional flavor, traceability, and ethical sourcing.

Grown in ideal conditions and carefully hand-picked, it undergoes meticulous processing and roasting to highlight its unique characteristics.

Often sourced from single farms or regions, specialty coffee reflects the origin's distinct flavor profile.

It plays a key role in the **third-wave coffee** movement, which treats coffee as an artisanal product and values sustainability, direct trade, and quality at every stage—from farm to cup. "
